1.3 Installation details

The Telephone Number of the line your ADSL service will be installed on (inc. STD code):

Telephone Number

Convert ISDN 2 or Home / Business Highway. (Please tick if appropriate)

This telephone line MUST be installed before we can process your order.

Note: For conversions from ISDN2/2e, this may be one of the main numbers or main number only, for Business or Home Highway this may be either the digital, PSTN1 or PSTN2 number. These numbers will be retained if possible, if not, a new number will be provided.

Note: Some services such as ISDN, BT Highway, PBX lines, RedCare, BT VideoStream, BT DataStream, Pulse Metering Facilities or a coinbox operate cannot be provided on the same line as the ADSL service.

The services or products described in this document are subject to availability and may be modified from time to time.

Services, products and equipment are provided subject to our standard terms of contract.

1.3.1

Do you acknowledge that you must test any security alarm system

Yes No

1.3.2

I understand that the purchasing of an ADSL connection is bound by a 6 month contract.
